

Art. 62021

## Oil Booster

**Reaction time**  
works during operation

**Application field**  
all petrol and diesel engines

**Consumption**  
300 ml for 5 l oil // 60 ml for 1 l

**Application interval**  
with every oil change

- Application** Compatible with all mineral and synthetic engine oils. One can (300 ml) sufficient to treat 5 L of engine oil. Add to the warm engine oil. For larger volumes add 50 ml GAT Oil Booster per litre engine oil. Works during operation.  
Attention: Check engine oil level before application!
- Description** GAT Oil Booster – contains a highly effective additive package for increased wear and tear protection properties of all types of engine oils. Reduces wear and tear, protects against corrosion, prevents from deposits in the oil and lubrication system and combats harmful engine acids.
- Benefits** Increased reliability of operation and prolonged life span of all components. Decreased oil consumption, improved motor performance. Decreased emission for a prolonged life time of the catalytic converter.
- PU** 24 x 300 ml
- Packing sizes** 300 ml // other sizes available on request

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
