

Art. 62031

## Power Steering Care & Protect

**Reaction time**

works during operation

**Application field**

all power steerings

**Consumption**

100 ml for 2 l power steering oil // 50 ml for 1 l

**Application interval**

with every power steering oil change

**Application** Add directly to the gear system after the change of power steering oil. Before application of the product, drain the corresponding amount of oil. 100 ml are sufficient for 2 L capacity. For larger capacities add 50 ml per liter of gear oil.

**Description** GAT Power Steering Care & Protect for protection of power steering gear boxes.

**Benefits** Protects all parts of the gear box from wear, tear and rust. Protects from oxidation and foam formation. Has a noise-reducing effect and guarantees a save and smooth operation of the power steering system.

**PU** 24 x 100 ml

**Packing sizes** 100 ml // other sizes available on request
